onderwerp **Statement on approval for research NL56828.058.16**

Dear Ms Creutzberg,

On behalf of the accredited medical research ethics committee (MREC) Leiden Den Haag Delft, I hereby declare that the committee reviewed and approved research protocol "PORTEC-4a: Randomised phase III trial of molecular profile-based versus standard recommendations for adjuvant radiotherapy for women with early stage endometrial cancer", national registration number NL56828.058.16, MREC registration number P16.054.

Approval was given on 10 May 2016 and subsequent amendments were approved by the committee on 12 October 2016, 14 August 2018 and 05 July 2020.

Sincerely yours,  
On behalf of the MREC Leiden Den Haag Delft,

Mw. Drs. A.A. van den Berg-Huysmans, MSc.  
Secretary
